

The factor which compels our global customers to choose our products over those of our competitors in the industry is the supreme quality of our Copper Products. Our team of quality inspectors ensures that the products are manufactured as per the highest standards of quality, thus enhancing the client's faith on us. Our quality auditors rigorously check all the processes of pre-production, production and post-production, so as to deliver an impeccable range of Copper products at economical prices, within the set time-frame. Apart from this, we also provide Material Test Certificate along with our products, in order to ensure the quality of the material used in production.

Our Clientele list includes major players in the Electrical & components engineering sector. Our products are inputs to major firms i.e. both Government & Non- Government Organization.

Our major Client list are as follows :

1. BHEL BHOPAL
2. BHEL JHANSI
3. BHEL HYDERABAD
4. CROMPTON GREAVES LTD (M-7)
5. CROMPTON GREAVES LTD (LMGP)
